# Hear It from the People Who Were There

#### **HSG LASER**

"AMTEX 2024 exceeded our expectations in every way. We had continuous footfalls, serious buyers, and high-quality business inquiries across all four days. It helped us connect with OEMs and decision-makers we had been trying to engage for months."

## MICROMATIC MACHINE TOOLS PVT LTD

"The visitor profile and engagement at AMTEX 2024 were excellent. We interacted directly with plant heads, procurement teams, and business owners who came with clear requirements and investment intent. It was a highly productive show."

#### JYOTI CNC AUTOMATION LTD

"We received a very strong response from the Indian market. The discussions were serious and meaningful, and we were able to onboard new distributors. AMTEX continues to be a key platform for us in India."

### MOTHERSON TECHNO TOOLS LTD

"AMTEX 2024 proved to be a high-ROI show for us. The leads we generated, and the partnerships initiated here will contribute significantly to our upcoming sales cycle. We look forward to returning in 2026 with an even bigger presence."

#### TUNGALOY INDIA PVT LTD

"AMTEX 2024 had a focused and relevant audience. The buyers we met were informed and clear about their requirements, which made the discussions meaningful and productive for us."

## MITUTOYO SOUTH ASIA PVT LTD

"This edition helped us strengthen existing relationships and open new business conversations. The show delivered steady engagement across all show days."

## CARL ZEISS INDIA (BANGALORE) PVT LTD

"The strong turnout of over 25,000+
visitors translated into real business
discussions for us. We met buyers who were
ready to evaluate and invest, which helped
us generate solid revenue opportunities
from the show."

## SHREE PRAYAG AIR CONTROLS PVT LTD (SPAC PNEUMATICS)

"The overall quality of visitors was impressive — genuine buyers, plant heads, and distributors exploring partnerships.

AMTEX helped us achieve great visibility and promising revenue opportunities within just a few days."
